News and Notices from the Local Council

Meeting of the Temmels Local Council on 8 October 2025

All information on council meetings can be found at <https://www.konz.sitzung-online.de/public/si018?GRLFDNR=9>.

Item 1 – Question time for residents

The lack of visualisation, such as floor plans, for the public during the council meeting was criticised. The Mayor stated that she intends to acquire a larger TV screen for this purpose.

Item 2: Adoption of a Statute for the Use of Municipal Field and Forest Paths

A statute on the use of municipal field and forest paths was unanimously adopted with some amendments.

Item 3: Acceptance and Use of Donations to the Municipality

This agenda item was unanimously removed at the beginning of the meeting.

Item 4: Participation in the Initiative 'Local Communities Take a Stand!'

Although both council groups welcomed the initiative in principle, it was criticised that the draft text did not sufficiently reflect the special concerns of border municipalities. A majority vote therefore rejected participation in the initiative. Instead, the council proposed working with other border municipalities to draft their own position paper.

Item 5: Municipal Consent under §36 of the German Building Code (BauGB)

- **5.1:** The application to renovate and refurbish a single-family house in Temmels was unanimously approved.
- **5.2:** The application to extend a residential building and renew and convert the roof in Temmels was approved by majority vote.

Item 6: Reports and Miscellaneous

The Mayor reported the following:

- The street 'Zur Fels' has been completed as part of the fibre-optic expansion.
- The section 'Auf der Kirth' will follow, depending on the weather, in calendar week 42.

The local municipality of Temmels asks for your **support**:
Please sign the petition to improve traffic safety in Saarburger Straße at:

Dear Fellow Citizens,

With the arrival of autumn begins a season of abundance, gratitude, and reflection. The fields have been harvested, the forests are turning shades of gold, red, and brown, and nature is preparing for the quiet of winter.

For all of us, this is a moment to pause and look back on the year so far: on the projects we have accomplished together, the celebrations we have enjoyed, and the challenges we have faced and overcome as a community. Autumn reminds us that every season has its own beauty and value — that in change lies the power of new beginnings.

I would like to thank everyone who contributes to our community with dedication, ideas, and heartfelt commitment. Whether through neighborhood support, in clubs, or in the municipal council — each of you helps make our town a vibrant, caring, and forward-looking place.

I wish you a peaceful autumn season, good health, and many moments of rest and joy with your families.

Warm regards,

D. Köbernik
Mayor
